

Visitation Policy

We Welcome All Visitors to Hamlin Place of Boynton Beach

1. Visitation to facility is unrestricted to all visitors which includes consensual physical contact between residents, families and visitors
2. All Visitors may be asked to complete a visitor log and visitor health screen with each visit prior to entry to the facility
3. If the Community Transmission Level is HIGH, everyone in the healthcare setting may be asked to wear face coverings or masks
4. If the Community Transmission Level is NOT HIGH, the safest practice is for residents and visitors to wear a face covering or masks; however, face covering or masks are optional.
5. If Visitors or Representatives would like to visit during an outbreak, they should still adhere to PPE practice and follow safety precautions
6. Best Practice to reduce Covid-19 transmission and Prevention is recommended with the following:
 - a. Denial of entry for those who have disclosed any flu or acute respiratory symptoms.
 - b. Hand hygiene (Use of Alcohol Based Hand Rub) & social distancing
7. During an outbreak, Residents are permitted to receive visitors of their choice as long as the resident and visitor is aware of the risk of visitation and the visit occurs in a manner that does not place other residents at risk and adhere to policy and procedures which includes
 - Wearing face covering/ facemask (optional)
 - Maintaining social distancing
 - Proper hand hygiene (ABHR)
8. Alternative methods of visitation may be used to accommodate residents and families that cannot visit in person, such as facetime, video zoom, skype, etc.
